

NO NATURE NO FUTURE

KLASSMARK REGULATION

- All the technical aspects of each distance are an annex to the official rules. You will find them in the technical data sheets on the website.
- These regulations explain the conditions of participation in events organized by Klassmark and their characteristics.
- Participation in an event organized by Klassmark implies the acceptance of all environmental and sustainable measures.
- These regulations may be amended, modified or improved at any time by the organization.
- Registration implies acceptance of the regulations, the appendix and the exemption from liability.
- Participation in an event implies acceptance of minors, exoneration of liability and the certificate of physical fitness.

1. NO NATURE NO FUTURE

1.1. Events take place in fragile and sensitive natural environments. It is strictly mandatory not to leave any trace after your passage.

1.2. Participants must respect the fauna and flora, prioritizing the wildlife in the environment.

1.3. It is forbidden to throw any waste during the race. Participants must carry their wrappers to the aid stations.

1.4. Any disrespectful action towards the environment, fauna, or flora will result in expulsion or a penalty.

1.5. Participants must not go outside the marked paths.

1.6. Participants must respect fences, gates, and all kinds of barriers related to livestock or private property security.

1.7. It is strictly mandatory to recycle correctly at all aid stations.

1.8. Remember that in the aid stations we do not have single-use containers, so you must bring your own cup, container, or bottle.

NO NATURE NO FUTURE

2. RUNNERS FOR RUNNERS

- 2.1. Participants must prioritize ethics, camaraderie, and respect for the environment and nature over the event itself.
- 2.2. If a participant, a third party, or any animal is in danger, it is mandatory to provide help.
- 2.3. Participants must alert the nearest control point or aid station of any incident, or they must call one of the numbers listed on the bib.
- 2.4. If participants who have provided help have lost significant time, the race director will assess the situation and make the appropriate decisions.
- 2.5. In cases of adverse weather conditions, if you need help from the organization and/or rescue teams, they may take time to find or reach you.
- 2.6. There are areas of the route without mobile coverage, so there is a risk of not being able to request help when needed.
- 2.7. In cases of emergency, in areas without coverage, runners must call and activate 112.

3. CLIMATE EMERGENCY

- 3.1. Participants must be aware that the climate change we live in makes weather forecasts difficult and must be prepared for the organization to cancel the event at the last minute.
- 3.2. Fighting global warming is our priority; for this reason, we will avoid giving or gifting participants any container, product, or material derived from fossil fuels.
- 3.3. For this reason, see
 - 3.3.1. No single-use containers will be provided.
 - 3.3.2. No participant bag will be given. (The bib, reusable zip ties, and the official gift will be given by hand.)

4. REGISTRATION

4.1. There will be no refund of the registration fee; it is not transferable from one year to another, and no changes are allowed.

4.2. You can modify the name and distance of your registration with the locator and email.

4.3. One week before the event, no name or distance changes will be allowed.

4.4. The bib number will not be definitively assigned to the participant until payment is effective.

4.5. The organization reserves the right to cancel the event before it starts if the physical integrity of the participants is at risk due to weather conditions or safety reasons.

4.6. The organization is not responsible for any extra expenses related to the registration, such as accommodations or travel in case of an event cancellation.

4.7. If the situation requires it, the organization may make the following modifications:

- a) Modify the routes
- b) Activate alternative routes
- c) Modify the start time

4.8. Registrations will close once the participant limit has been exceeded or the announced deadline date has been reached.

4.9. In cases of last-minute registration (one week before the start), the requested gift size is not guaranteed.

4.10. The organization reserves the right to modify the number of participant slots.

4.11. The organization is not responsible for contractual relationships between participants and external services.

5. CONDITIONS OF PARTICIPATION

- 5.1. All participants must be of legal age on the day of the event; otherwise, it is mandatory to present the "authorization for minors."
- 5.2. If underage, you must be accompanied by an adult at all times.
- 5.3. Registrants participate in the event voluntarily and at their own risk.
- 5.4. By registering, participants automatically accept the 'liability waiver and fitness certificate,' which informs them of the risks involved in participating.
- 5.5. When the participant registers, they accept all points of these regulations. Non-compliance with any of them will result in automatic expulsion or penalty.

6. DEVELOPMENT

- 6.1. The route is open to other users, bicycles, vehicles, tractors, etc. Participants must follow current traffic regulations and proceed with caution at all times.
- 6.2. In case of breakdown or any incident, the numbers to contact the organization are on the bib.
- 6.3. Once the maximum time to finish the route is exceeded, all event services will be deactivated.
- 6.4. Participants can only receive external assistance at the feeding zones designated by the organization. Any other assistance will be penalized.

7. WITHDRAWALS

- 7.1. Participants who decide to withdraw must do so at one of the control or aid stations. Only a serious injury will justify a participant abandoning at another point on the course.
- 7.2. The organization only commits to returning participants to the event's starting point if they have withdrawn at a control or aid station with motorized access.
- 7.3. The organization reserves the right to return participants to the starting point once the event has concluded.
- 7.4. Participants who decide to withdraw from the event must notify the organization.

8. COURSE AND MARKING

- 8.1. It is mandatory to follow the GPS-marked course at all times.
- 8.2. If, for any reason, the course is abandoned at any point, it is mandatory to rejoin at the exact point where it was left.

9. EQUIPMENT AND CLOTHING

- 9.1. Carrying the appropriate equipment to handle the event is the responsibility of each participant, as long as the technical sheet does not specify mandatory equipment. The organization reserves the right to modify this point until the last moment.
- 9.2. Participants must be correctly shod and equipped according to the technical conditions of the event and weather conditions.
- 9.3. The organization reserves the right to prevent the start or stop any participant who is deemed not to have the necessary equipment.
- 9.4. The organization recommends that all participants have food and drink during the event. Sunscreen is also recommended if exposure conditions require it.
- 9.5. The organization is not responsible for any lost or forgotten items during the event.

10. FORMAT AND CATEGORIES

- 10.1. The format and awarded categories will depend on each distance. You can consult the information in the technical sheets.
- 10.2. The participant's age as of December 31 of the current year will be taken into account.
- 10.3. The gifts are cumulative.
- 10.4. It will be essential to be present at the final ceremony to receive the trophy, medal, or gift.
- 10.5. Development of team events:
 - 10.5.1. Team event participants must complete the course with their partner or team, crossing the control points and the finish line together. Otherwise, the team would be disqualified and out of the event.

10.5.2. If one of the team members drops out and the other continues, they will not be classified as individual under any circumstances.

10.5.3. The race director can apply the sanctions he/she deems appropriate after evaluating each situation.

11. PENALTIES AND DISQUALIFICATIONS

11.1 Causes of Penalty:

- Throwing waste during the race: time penalty or disqualification. Not following the marked route: time penalty or disqualification.
- Not carrying the mandatory equipment: time penalty or disqualification.
- Disrespectful behavior towards other participants or the environment: time penalty or disqualification.

11.2 External Assistance:

- Receiving assistance outside the designated aid stations: time penalty or disqualification.
- External assistance is only allowed at the points marked by the organization. Any other assistance will be penalized or result in disqualification.

11.3 Violent Conduct:

- Violent behavior towards another runner, official, or spectator: time penalty or disqualification.

11.4 Traffic Rules:

- Not respecting traffic rules, such as not keeping to the right on roads and trails: time penalty or disqualification.

11.5 Controls and Aid Stations:

- Not passing through all checkpoints and aid stations: time penalty or disqualification.

11.6 Respect for the Environment:

- Disrespectful attitude towards the environment, fauna, or flora: time penalty or disqualification.

11.7 Discretion of the Race Director:

- The race director can assess each action individually and modify the established parameters according to the severity of the facts.

12. BIB COLLECTION

12.1. To collect the bib, participant identification is essential. Therefore, presenting an identification document (ID, driver's license, or passport) and the federation or insurance card is mandatory.

12.2. The participant must know the coverage conditions of their insurance or federation entity.

12.3. The resale of registration rights and the consequent participation with another person's bib can result in penalties for both the seller and the buyer; and the possibility of taking action against both.

13. DATA PROTECTION

13.1. In accordance with Organic Law 15/1999 of December 13, all participants' data will be included in a private file owned by the organizers, solely for managing the event.

14. IMAGE RIGHTS

14.1. All participants waive their image rights during the event.

14.2. The organization may use the event's images for its own interest.

14.3. Acceptance of this regulation implies that the participant authorizes KLASMARK to take photographs and record their participation, giving consent for the distribution and commercial and advertising exploitation of all images taken during the event without the right to receive any economic compensation.

15. DISCLAIMER OF LIABILITY AND FITNESS CERTIFICATE

15.1. I have read and fully accept the regulations.

15.2. I am sure that I am physically and psychologically well-prepared to participate in the event because I have undergone the appropriate medical checks to ensure that I am in good health and do not suffer from any illness, allergy, physical defect, injury, or cardiorespiratory condition that would advise against my participation.

15.3. I am fully aware of the difficulty, the route, the profile, and the distance of the event because I have consulted it previously on the website.

15.4. I am aware that this type of event carries a risk for the participants. For this reason, I attend voluntarily and at my own risk, fully assuming the risks and consequences arising from my participation. Therefore, I exempt the organization, collaborators, sponsors, and other participants from any physical or material damage that may occur to me.

15.5. I have sufficient knowledge and technical skills to ensure my own safety, considering the natural environment and the conditions of autonomy of the event.

15.6. I have the sports and safety equipment required by the event. I guarantee that the equipment is in good condition, that I have the knowledge to use it properly, and that I will carry it with me throughout the event.

15.7. I commit to complying with the safety rules and protocols established by the organization, as well as maintaining responsible behavior that does not increase the risks to my physical or mental integrity. I will follow the instructions and abide by the decisions made by the organizers (judges, doctors, and organizers).

15.8. I authorize the event's medical services to provide any care or action they deem appropriate at any time during the event. I commit to abandoning the event and allowing my hospitalization if they consider it necessary for my health.

15.9. I authorize the event's organization to take and use any photographs, videos, or recordings made, as long as they are exclusively related to my participation in this event, and not to receive any compensation in return.

15.10. Before or during the event, I will not consume any prohibited substances

considered as doping by the different federations. The organization may conduct doping tests on any participant.

15.11. I am aware that my bib number is personal and non-transferable, so I will not give or sell it to anyone.

15.12. I commit to following the general guidelines of respect for others and the environment:

- a) Move prudently and according to traffic rules, on tracks, trails, and roads open to traffic.
- b) Move slowly in the presence of people, animals, or vehicles.
- c) Do not cause alterations in the processes and natural functions of ecosystems.
- d) Do not damage biotic, geological, cultural, or general resources of the environment.
- e) Avoid environmentally sensitive areas.
- f) Perform physiological needs in optimal places, or in any case, away from water points and far from places of passage or gathering of people.
- g) Do not light fires or cause fire risk situations.
- h) Do not use or install any structure or element that leaves a permanent mark on the environment.
- i) Do not throw or leave solid or liquid waste outside the places specifically designed for their collection.
- j) Do not leave the marked route.
- k) Close the doors or cattle wires that I have to open as I pass.

16. KLASSMARK INSURANCE COVERAGE

16.1. The notification of the sports accident must be made on the same day as the sports event.

16.2. The coverage for health care or surgical-medical care will only be at the care centers agreed upon by the insurance.

16.3. Unlimited health and surgical-medical care per sports accident, up to 18 months.

16.4. Unlimited transport or evacuation costs to the agreed care center.

16.5. Orthopedic material costs, up to 70%.

16.6. Unlimited rehabilitation treatments, up to a maximum of 18 months.
